

# CITATION REPORT

List of articles citing

Multi-scale characterization of glaucophane from Chiavolino (Biella, Italy): implications for international regulations on elongate mineral particles

DOI: 10.5194/ejm-33-77-2021

European Journal of Mineralogy, 2021, 33, 77-112.

**Source:** <https://exaly.com/paper-pdf/79274252/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
