List of articles citing

## An Efficient Method of Estimating Seemingly Unrelated Regressions and Tests for Aggregation Bias

DOI: 10.1080/01621459.1962.10480664

Journal of the American Statistical Association, 1962,  
57, 348-368.

**Version:** 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
