

A randomized controlled trial to optimize patientâ€™s se in acute ischemic stroke (SELECT2): Study protocol

International Journal of Stroke

17, 689-693

DOI: [10.1177/17474930211035032](https://doi.org/10.1177/17474930211035032)
