

CITATION REPORT

List of articles citing

Residential Proximity to Biorefinery Sources of Air Pollution and Respiratory Diseases in New York State

DOI: 10.1021/acs.est.1c00698

Environmental Science & Technology, 2021, 55, 10035-1

Source: <https://exaly.com/paper-pdf/81549757/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
