

# CITATION REPORT

List of articles citing

Strategic deployment of riparian buffers and windbreaks in Europe can co-deliver biomass and environmental benefits

DOI: 10.1038/s43247-021-00247-y  
Communications Earth & Environment, 2021, 2, .

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
