List of articles citing

Development and optimisation of biopharmaceutical properties of a new microemulgel of cannabidiol for locally-acting dermatological delivery

DOI: 10.1016/j.ijpharm.2021.121036

International Journal of Pharmaceutics, 2021, 607, 121036.

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
