

CITATION REPORT

List of articles citing

Engineering and loading therapeutic extracellular vesicles for clinical translation: A data reporting frame for comparability

DOI: 10.1016/j.addr.2021.113972

Advanced Drug Delivery Reviews, 2021, 178, 113972.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
