

CITATION REPORT

List of articles citing

A critical review on various remediation approaches for heavy metal contaminants removal from contaminated soils

DOI: 10.1016/j.chemosphere.2021.132369
Chemosphere, 2022, 287, 132369.

Source: <https://exaly.com/paper-pdf/82598641/citation-report.pdf>

Version: 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
