

# CITATION REPORT

List of articles citing

Effect of Antihypertensive Medication Reduction vs Usual Care on Short-term Blood Pressure Control in Patients With Hypertension Aged 80 Years and Older: The OPTIMISE Randomized Clinical Trial

DOI: 10.1001/jama.2020.4871

JAMA - Journal of the American Medical Association, 2020, 323, 2039-2051.

**Source:** <https://exaly.com/paper-pdf/82983432/citation-report.pdf>

**Version:** 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
