

Gushes of Rain and Hail After Lightning

Journals of the Atmospheric Sciences

21, 646-665

DOI: [10.1175/1520-0469\(1964\)021<0646:gorama>2.0.co;2](https://doi.org/10.1175/1520-0469(1964)021<0646:gorama>2.0.co;2)

Citation Report

#	ARTICLE	IF	CITATIONS
1	Nucleation of Ice Formation in Supercooled Clouds as the Result of Lightning. Journal of Applied Meteorology, 1965, 4, 640-642.	1.1	8
2	Lightning discharge and precipitation. Quarterly Journal of the Royal Meteorological Society, 1965, 91, 368-368.	2.7	0
3	Collision efficiency of charged cloud droplets in electric fields. Journal of Geophysical Research, 1966, 71, 4271-4278.	3.3	24
4	Cloud physics. Reports on Progress in Physics, 1969, 32, 69-134.	20.1	13
6	ELECTRIFICATION IN AN INDIAN DUST STORM. Weather, 1969, 24, 145-146.	0.7	40
7	Electricity and weather modification I. A survey of scientific relationships. IEEE Spectrum, 1969, 6, 26-45.	0.7	3
8	Effect of space charge on atmospheric electrification, cloud charging, and precipitation. Journal of Geophysical Research, 1969, 74, 1930-1940.	3.3	2
9	A Further Examination of the Urban Maximum of Thunder Rainfall in London, 1951-60. Transactions of the Institute of British Geographers, 1969, , 97.	2.9	10
