

# CITATION REPORT

List of articles citing

## Frequency of Hand Decontamination of Intraoperative Providers and Reduction of Postoperative Healthcare-Associated Infections: A Randomized Clinical Trial of a Novel Hand Hygiene System

DOI: 10.1017/ice.2016.106

Infection Control and Hospital Epidemiology, 2016, 37, 888-8

**Source:** <https://exaly.com/paper-pdf/84665098/citation-report.pdf>

**Version:** 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
