

CITATION REPORT

List of articles citing

Pulmonary physiologic changes of morbid obesity

DOI: 10.1097/00000441-199911000-00002

American Journal of the Medical Sciences, 1999, 318, 293-7.

Version: 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
