

CITATION REPORT

List of articles citing

Identification and Evaluation of Clinical Substrates of Organic Anion Transporting Polypeptides 1B1 and 1B3

DOI: 10.1111/cts.12623

Clinical and Translational Science, 2019, 12, 379-387.

Source: <https://exaly.com/paper-pdf/85719723/citation-report.pdf>

Version: 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
