

# CITATION REPORT

List of articles citing

Coronary plaque erosion without rupture into a lipid core. A frequent cause of coronary thrombosis in sudden coronary death

DOI: 10.1161/01.CIR.93.7.1354  
Circulation, 1996, 93, 1354-63.

**Source:** <https://exaly.com/paper-pdf/86224938/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
