List of articles citing

## Sendai Virus Induces Persistent Olfactory Dysfunction in a Murine Model of PVOD via Effects on Apoptosis, Cell Proliferation, and Response to Odorants

DOI: [10.1371/journal.pone.0159033](https://doi.org/10.1371/journal.pone.0159033)  
PLoS ONE, 2016, 11, e0159033.

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
