

# CITATION REPORT

List of articles citing

Cost effectiveness analysis comparing repetitive transcranial magnetic stimulation to antidepressant medications after a first treatment failure for major depressive disorder in newly diagnosed patients - A lifetime analysis

DOI: 10.1371/journal.pone.0186950  
PLoS ONE, 2017, 12, e0186950.

**Source:** <https://exaly.com/paper-pdf/87049872/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
