

# CITATION REPORT

List of articles citing

## Occupational Exposure and Health Impairments of Formaldehyde on Employees of a Wood Industry

DOI: 10.15171/hpp.2015.035  
Health Promotion Perspectives, 2015, 5, 296-303.

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
13	Knowledge, attitude and practice related to chemical hazards and personal protective equipment among particleboard workers in Ethiopia: a cross-sectional study. <i>BMC Public Health</i> , <b>2019</b> , 19, 440	4.1	13
