

CITATION REPORT

List of articles citing

Hydrogen peroxide induces
21-aminosteroid-inhibitable F2-isoprostane production
and cytolysis in renal tubular epithelial cells

DOI: 10.1681/ASN.V641300

Journal of the American Society of Nephrology: JASN,
1995, 6, 1300-3.

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
