List of articles citing

## Antibody Therapy for the Control of Viral Diseases: An Update

DOI: 10.2174/1389201020666190809112704

Current Pharmaceutical Biotechnology, 2019, 20, 1108-1121.

**Version:** 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
