

# CITATION REPORT

List of articles citing

## Liposomes in Active, Passive and Acoustically-Triggered Drug Delivery

DOI: 10.2174/1389557519666190408155251

Mini-Reviews in Medicinal Chemistry, 2019, 19, 961-969.

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
