

CITATION REPORT

List of articles citing

Systematic reviews and meta-analyses of home telemonitoring interventions for patients with chronic diseases: a critical assessment of their methodological quality

DOI: 10.2196/jmir.2770

Journal of Medical Internet Research, 2013, 15, e150.

Source: <https://exaly.com/paper-pdf/88258495/citation-report.pdf>

Version: 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
