

CITATION REPORT

List of articles citing

The Use and Effectiveness of Mobile Apps for Depression: Results From a Fully Remote Clinical Trial

DOI: 10.2196/jmir.6482

Journal of Medical Internet Research, 2016, 18, e330.

Source: <https://exaly.com/paper-pdf/88259639/citation-report.pdf>

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
