List of articles citing

Diversity in Older Adults' Use of the Internet: Identifying Subgroups Through Latent Class Analysis

DOI: 10.2196/jmir.6853

Journal of Medical Internet Research, 2017, 19, e180.

Source: <https://exaly.com/paper-pdf/88259734/citation-report.pdf>

Version: 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
