

CITATION REPORT

List of articles citing

Ethics and Privacy Implications of Using the Internet and Social Media to Recruit Participants for Health Research: A Privacy-by-Design Framework for Online Recrui

DOI: 10.2196/jmir.7029

Journal of Medical Internet Research, 2017, 19, e104.

Source: <https://exaly.com/paper-pdf/88259839/citation-report.pdf>

Version: 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
