

CITATION REPORT

List of articles citing

Adherence to AHA Guidelines When Adapted for Augmented Reality Glasses for Assisted Pediatric Cardiopulmonary Resuscitation: A Randomized Controlled Trial

DOI: 10.2196/jmir.7379

Journal of Medical Internet Research, 2017, 19, e183.

Source: <https://exaly.com/paper-pdf/88259916/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
