

CITATION REPORT

List of articles citing

Internet Searches and Their Relationship to Cognitive Function in Older Adults: Cross-Sectional Analysis

DOI: 10.2196/jmir.7671

Journal of Medical Internet Research, 2017, 19, e307.

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
