List of articles citing

A Mobile App to Improve Self-Management of
Individuals With Type 2 Diabetes: Qualitative Realist Evaluation

DOI: 10.2196/jmir.8712

Journal of Medical Internet Research, 2018, 20, e81.

Source: <https://exaly.com/paper-pdf/88260199/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
