The Importance of Visit Notes on Patient Portals for Engaging Less Educated or Nonwhite Patients: Survey Study

DOI: 10.2196/jmir.9196

Journal of Medical Internet Research, 2018, 20, e191.

Source: <https://exaly.com/paper-pdf/88260323/citation-report.pdf>

Version: 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
