

# CITATION REPORT

List of articles citing

**Cost-Effectiveness of Facilitated Access to a Self-Management Website, Compared to Usual Care, for Patients With Type 2 Diabetes (HeLP-Diabetes): Randomized Controlled Trial**

**DOI: 10.2196/jmir.9256**

**Journal of Medical Internet Research, 2018, 20, e201.**

**Source:** <https://exaly.com/paper-pdf/88260336/citation-report.pdf>

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
