List of articles citing

## eHealth as the Next-Generation Perinatal Care: An Overview of the Literature

DOI: 10.2196/jmir.9262

Journal of Medical Internet Research, 2018, 20, e202.

**Source:** <https://exaly.com/paper-pdf/88260337/citation-report.pdf>

**Version:** 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
