

CITATION REPORT

List of articles citing

Predicting Mood Disturbance Severity with Mobile Phone Keystroke Metadata: A BiAffect Digital Phenotyping Study

DOI: 10.2196/jmir.9775

Journal of Medical Internet Research, 2018, 20, e241.

Source: <https://exaly.com/paper-pdf/88260449/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
