

CITATION REPORT

List of articles citing

Developing mHealth Remote Monitoring Technology for Attention Deficit Hyperactivity Disorder: A Qualitative Study Eliciting User Priorities and Needs

DOI: 10.2196/mhealth.5009

JMIR MHealth and UHealth, 2016, 4, e31.

Source: <https://exaly.com/paper-pdf/88261282/citation-report.pdf>

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
