

# CITATION REPORT

List of articles citing

## Feasibility and Effectiveness of Using Wearable Activity Trackers in Youth: A Systematic Review

DOI: 10.2196/mhealth.6540

JMIR MHealth and UHealth, 2016, 4, e129.

**Source:** <https://exaly.com/paper-pdf/88261413/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
