

CITATION REPORT

List of articles citing

Usability and Acceptability of a Mobile Comprehensive HIV Prevention App for Men Who Have Sex With Men: A Pilot Study

DOI: 10.2196/mhealth.7199

JMIR MHealth and UHealth, 2017, 5, e26.

Source: <https://exaly.com/paper-pdf/88261478/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
