List of articles citing

## mHealth Technology Use and Implications in Historically Underserved and Minority Populations in the United States: Systematic Literature Review

DOI: 10.2196/mhealth.8383

JMIR MHealth and UHealth, 2018, 6, e128.

**Source:** <https://exaly.com/paper-pdf/88261599/citation-report.pdf>

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
