

# CITATION REPORT

List of articles citing

Increased food energy supply as a major driver of the obesity epidemic: a global analysis

DOI: 10.2471/BLT.14.150565

Bulletin of the World Health Organization, 2015, 93, 446-56.

**Source:** <https://exaly.com/paper-pdf/88548013/citation-report.pdf>

**Version:** 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
