

CITATION REPORT

List of articles citing

Conversion surgery for gastric cancer patients: A review

DOI: 10.4251/wjgo.v10.i11.398

World Journal of Gastrointestinal Oncology, 2018, 10, 398-409

Source: <https://exaly.com/paper-pdf/89853894/citation-report.pdf>

Version: 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
