

CITATION REPORT

List of articles citing

The urban dispersion model EPISODE v10.0 Part 1:
An Eulerian and sub-grid-scale air quality model and
its application in Nordic winter conditions

DOI: 10.5194/gmd-13-4323-2020

Geoscientific Model Development, 2020, 13, 4323-4353.

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
