

# CITATION REPORT

List of articles citing

## The carbohydrate-active enzyme database: functions and literature

DOI: 10.1093/nar/gkab1045  
Nucleic Acids Research, 2021, , .

**Source:** <https://exaly.com/paper-pdf/90854600/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
